

Healing Within is the first volume in a series of ebooks written to educate readers on healing their addictions, emotional distress and unhealthy behavioral patterns from an energy standpoint. This ebook gives the reader an overview of working with the body's energy system to create change at a cellular level. In this ebook the reader will learn to identify symptoms and relate them to their chakras. Readers will find case studies which include treatment plans. Readers can look forward to the coming volumes for comprehensive information on what is contained within this book.
