

## Amish Awakening: Rebekah and Braedens Book (Amish Couples 3)

Amish Teen Romance! The stunning conclusion of the Amish Couples series - And my final Amish book for 2014! Since she left the Amish community, eighteen year-old Rebekah has become much closer to achieving her lifelong aspiration of becoming a veterinarian. Plus, she has the perfect boy to share her dreams with, gorgeous fellow pre-vet student Braeden. However, when her prestigious veterinary internship falls through, she begins to question how she'll spend her summer, especially when she can't find another job in the city. Tensions with Braeden ignite when he lies to her about his relationship with Anya, an exotic Russian girl he met at his internship, and Rebekah decides to temporarily leave the pressures of the English world behind. Rebekah's twin sister Mercy has the perfect plan: What if Rebekah works at her new bakery for the summer, and returns to the city for college in the fall? Not only will Rebekah be making much-needed money, she will have time to sort out her feelings for Braeden. Rebekah feels like she's experiencing an Amish awakening and return to her roots, but is she using the retreat to run from her troubles? Will Rebekah choose to stay with her family for the summer, or has the English world changed her too much to go back? And will she and Braeden reconcile their differences? Download today to find out! Note: This book may be enjoyed alone or in combination with the Amish Couples series and its prequels, the Amish Hearts and Amish in College series.
