

No Cliffhangers - Stand Alone Book I found myself compelled to write one more story about the Jersey Girls because Casey never found love in the other books. Even though this is a standalone book, it brings back the characters from the previous books. A new woman comes to town named Danielle. She is just out of a bad marriage with a seven year old son. Having nowhere to go, she becomes a nanny for Erin and Janes daughter. The attraction for Casey is immediate, but Danielle doesnt know what she wants. An old flame, carol comes back into Caseys life. Can Danielle figure out what she wants before Carol steals Caseys heart again?
