

Mail Order Bride: Jewels Dream: A Sweet and Clean Western Frontier Love Story (Valentine Mail Order Bride Series Book 3)

Jewel and her friends were overlooked on Valentines Day. The holiday was new, but it still hurt that the girls didnt have sweethearts to celebrate with. Then they agree to find suitors outside of New York City. And so Jewel began her correspondence with James. She started thinking of Laramie, Wyoming as a place she might want to live. She also started getting to know James through his fact filled letters. She decided he was going to be a good match for her. She heads off to Wyoming to meet her future husband and she is taken by surprise that he had a prickly personality. Shed had hints that he wasnt a social butterfly, but that didnt bother her. But apparently, he was going to need some help to become someone she wanted to spend time with. Love wasnt instant. In fact, there were bumps along the way. But love did come. Jewel found out that James needed her as much as she needed him. She had focused on her desire to get out of New York and believed that love would come with it, but she didnt consider that the man she would meet would need her, too. **JEWELS DREAM**, A Valentine Mail-Order Bride Series is written in collaboration with the seven authors of the **SWEET & CLEAN BOOK CLUB**, all women, each of whom write sweet and clean romance, and stories that make you go aww.
