

Mail Order Bride: An Unexpected Christmas Baby for the Brokenhearted Blacksmith: Twelve Mail Order Brides of Christmas

Celebrate the miracle of love and the joy of the holiday season on the Western frontier with the Twelve Mail Order Brides of Christmas, a new series from popular author Emma Morgan! Devastated when her childhood love marries her sister instead, Nora Robertson leaves her old world behind for a chance as a mail order bride. She heads west alone, ready to begin her new life, but when she arrives in the small, dusty town, she is not alone anymore. An unfortunate event has left her to care for an orphaned infant child Joshua Ellsworth is not expecting at all. Joshua Ellsworth is a good man, however, and he readily accepts both Nora and the infant into his home. And also neither one is ready to love again, love has a mind of its own. But just as they begin to settle into their life together, a reminder from Joshua's past comes knocking on his door and she wants him back. And could it be that he wants her, too? Will Joshua, Nora, and baby Addie celebrate their first Christmas together, or will an old flame blow out their new-found love?
