

Chasing Matt

Chase Williams is a gorgeous but painfully shy web designer whose long-term boyfriend dumped him for being such a nice guy. Instead of meeting his buddies at the local bar for a drink, he helps his elderly neighbor with a DIY project. When a wobbly step ladder leads to a banged up wrist and a trip to the ER, Chase is convinced it's the worst night ever. Then he meets his handsome nurse, Matt Owens, the boy next door who loves working in the busy ER. He's more than ready to clock out from his double shift until he meets his patient in Bed 4. But will Matt's attraction to Chase be enough to make him break his rule about never dating patients?
