

# The 30 Day Dom

Cruz knows its time to find a sub. When hes introduced to Jane, a protected sub from a private agency, they have an immediate connection. Shes everything he has always wanted in a submissive. Her need for protection is exactly what the Dom in him craves. But he cant ignore the nagging feeling that he knows her from somewhere. Janes attraction to Cruz is automatic. Her body burns for him, and he quiets her mind from the fears of her past. But one night of explosive passion quickly puts their Dom and sub relationship to the ultimate test. With her possessive ex-master searching for her, and an unplanned pregnancy testing their bond, can Cruz and Jane overcome the obstacles and find happiness? Or will Ben find a way to separate the two before they even get started?
