

## Strip Poker Tag Team (Exhibitionism, Group, DP, Bisexual Erotica)

Rachel and Steph are roommates. Roommates-with-benefits, actually. And they are going to play poker with the guys. Rachel hasn't hooked up in over a week though and is looking to score. Steph, being such a great friend, decides that she is going to help her out with some helpful suggestions during their poker game. These guys don't know what hits them as the two girls take control of the game and direct it to suit their purposes... getting laid! Warning: This 9700-word erotic short story contains scenes of explicit lesbian and group sex and should only be read by 18+ Excerpt: You hit the flush? I didn't even notice that was an option! Shit! My huge rush from thinking I won the hand turned quickly into dejection. Damn it, I hate being the first one out, it's so boring. I know we never let people buy back in, but can we make an exception? I really didn't want to just sit around and be dealer or serving wench. The guys looked at each other uneasily. They usually had a very rigid structure set up for their poker games. Steph spoke up, What if Rachel has to buy back in with clothes? We can have a little strip poker add-on to the game! The looks on the guys' faces changed into smiles. Oh come on, Rachel would never go for that, Dave said. Like she would want to be naked in front of us. Damn it Steph! It was as if she were determined to make me act like a complete slut tonight. She had that look in her eyes, daring me to take her up on it. Well, I am horny as all hell, and we almost never see these guys except for these games anyways. Let's do it.
