

Lady Mason has lived her whole life with propriety as the daughter of a respectable merchant, wishing for a life of adventure. When her Papa writes to bring her over to the colonies, she believes that her life is finally turning around. Only she never expected for a crew of brawny pirates to board her ship, or mistake her for the Governors daughter. When the truth comes out, the pirates are less than thrilled. But Lady Mason sees her chance and offers a bold proposition: Perhaps she could render the captain a carnal service in exchange for a life at sea. Only this captain likes to share his booty with his whole crew, hard and without protection!
