

Mordechai Anielewicz: Hero of the Warsaw Ghetto Uprising (Holocaust Biographies)

Here is a new group of dramatic and harrowing stories of the Holocaust. These stories of both the victims and the evildoers recount the depravity, suffering, and courage that took place during this shameful time in world history. These stirring stories will inspire teens to understand the meaning of moral commitment and to say never again. Many stories of the Holocaust focus on the victimization of the Jewish people and young readers may not be aware of any cases of Jews fighting back. In fact, there was a substantial youth movement whose members were willing to sacrifice their own lives in order to launch a resistance movement against the Nazis. This book examines the life and death of Mordechai Anielewicz, a young Jew who led armed resistance struggles against Nazi captors.
