

Waiting for Santa: A Jillian Bradley Mystery, Book 6

Everyone has gathered at Jillian's house in Clover Hills to celebrate Christmas, but Jillian's plans for a lovely Christmas Eve are rudely interrupted by a power failure. And a homicide. Not only does Aunt Jillian find herself with a house full of company to entertain in the dark, but she also receives a call from Detective Walter Montoya, who finds himself in the dark, trying to solve the bizarre murder of a worker found dead in a maintenance shed at the power station. With Teddy at her side, Jillian is determined to solve the mystery. A classic who-dunnit!
