

Owning My Co-Worker (Unprotected Trance Book 1)

Working at a bookstore with a liberal arts graduate degree and no other prospects, the virginal Victor feels like a living cliché. He just can't get laid even though beautiful women surround him. But, when his beautiful co-worker Mallory offers out of nowhere to suck Victor dry, he discovers something amazing. And no, not just that she's terrific at oral sex! Rather, his powerful unprotected seed puts Mallory into an obedient, happy trance. Whatever thoughts he wants her to have, she has. Thoughts of pleasing him, falling in love with him, serving him in every dirty, erotic way, and obeying his every wicked order shall believe anything after a healthy dose of his manly product inside her fertile curves. It seems so wrong, but feels so good. How much can Victor corrupt Mallory? And if he owns her completely, there's nothing at all to stop him from finding out what happens when the other beautiful, fertile babes in the bookstore taste him too.
