

Anything For A Better Grade (M/M, First Time Gay Experience, LGBT)

With his future on the line, Harrison Brooks is desperate for a better grade. Still, that didn't stop him from partying when he should have been studying. Unfortunately for him, it may be too late. He made the unwise decision of handing in a term paper that had been outsourced, and a poor one at that. His only hope is to visit the professor, Dr. Samuel Grayson, during office hours and attempt to change his mind. Using his ample charms, Harrison tries to work his magic on the professor, but that is easier said than done. When the professor appears to be a hard case, Harrison knows what that he has to do... anything for a better grade.
