

Celebrity Wolf Pack (BBW Shifter Paranormal Menage Romance)

Years ago, up and coming actress Jessica let herself be swept away by a gorgeous alpha stranger in the middle of the forest, giving herself to the man completely and utterly. It had happened so long ago that by now she had convinced herself it had just been a dream, especially since the man had turned into a hulking and majestic wolf! But now hes back, and this time hes brought the rest of his pack. And like before, Jessica cant imagine saying no to all of those manly half men. She may have thought they were simply star struck fans at first, but it doesnt take her long to realize that this wolf pack is out to mate, and her celebrity wasnt going to save her from their desire. Nor did she want it to
