

A Bear in Paris

It had been Rhett Beaumonts life-long dream to visit Paris, the city of love. He had a strong connection with the city through his parents, who amazingly enough, conceived him there. Sadly, he was seeing the city alone, his heart still not healed from being broken. When his predilection for French pastries yielded a hot chef, passions of a different sort started to heat up. Would Luc le Monnier, the French Pastry Chef, be enough to mend Rhett's heart? What would happen when Rhett needed to return home, to Charleston? Will it only be a summer love or more?
