

Inhabitation: Wandering Stars Volume Three

The true architect of Earth's inhabitation has been revealed. As power and authority are consolidated into a new kingdom, allies become enemies and enemies become friends. Sariel's vengeance is complete, but his sacrifice is greater than he could have imagined. Weakened beyond sanity and hunted by a dangerous new predator, Sariel must rely on his oldest nemesis in order to survive. The testing of his loyalty will uncover a new strategy, leading him back into the center of a multisided war. The influence of the Myndarym is swelling, flowing across the land, driving cultures into the future or crushing them under its weight. But when the violence reaches into the depths of the sea, it awakens a powerful and forgotten realm. Angel. Demon. Nephyl. Human. The battle lines are drawn, and before it's over, the world will never be the same. In Volume Three of the Wandering Stars series, Jason Tesar's fantasy epic engulfs the earth in a clash of temporal kingdoms and eternal civilizations, peeling back the layers of primordial history to expose its supernatural origins.
