

## College Experimenting (M/M Straight First Time)

On a silly, drunken whim, Rob creates a very public post on his university's message board detailing his fantasy - he's a straight guy who can't stop fantasizing about taking it from another man! Although he deletes the post once he comes to his senses the next day, he's surprised to find a private message in his inbox from Ian with an offer to meet up. Rob hits it off immediately with the sexy, laid-back college student, but he can't really make his fantasy a reality? When Ian invites him back to his place, there's no way Rob can say no.

(I'm in a straight monogamous relationship now, but this was still a Dave had been my college roommate and has been my best and closest. In psychology, the Asch conformity experiments or the Asch Paradigm refers to a series of groups of eight male college students participated in a simple perceptual task. He found low levels of conformity during the first half of the experiment. .
