

## Lost Souls: Burning Sky (Lost Souls (Running Press))

In this trilogy created by new media genius Jordan Weisman, the son of archeologists, Nathan is your typical kid--one of the smartest at his school, but fails at everything because he won't apply himself. Nathan is shocked when on his thirteenth birthday, he receives his birthright from the Mayan god Kukulcan: the ability to travel the frequencies and interact with spirits. The fate of the human race rests with Nathan, who must play a game with Kukulcan for the world's survival--all culminating with the end of the Mayan calendar on December 22, 2012. Now it is time for Nathan to use his newfound gifts, fulfill his potential, and save the world!
