This one star review has more to do with the update than the QRI-6 itself. In the fifth edition they included a CD with all the PDF files where you could print out theThis easy-to-use, best-selling collection of reading materials effectively assesses reading ability at emergent though high school levels. Qualitative ReadingThe Qualitative Reading Inventory continues a long history of informal reading inventories. I wish I could buy the 5th edition again with the CD that I could use.
