

## Nathan Turner (The Dogwood Legacy: Part II)

The world had changed out from under him before he was born. It seemed to some that Nathan had been designed for a different century. Possessed by a strange sense of loss, he longed for the ways and beliefs of his ancestors. His life was marked by difficulty with the expectations of others, and conflict pursued him despite his best efforts to avoid it. On the day this principled young man was expelled from high school for fighting to defend a weaker classmate, his parents decided to send him on a journey to the one place where he could discover his calling. From there, his path would ultimately lead to a series of confrontations with the supernatural predator that stalked an unprepared and vulnerable city.
