

The San Francisco Giants: 50 Years

The San Francisco Giants celebrate more than 50 years in the City by the Bay. Follow the Giants from their early days at Seals Stadium to Candlestick Park to latest decade led by Barry Bonds, from the World Series in 1962 and 1989 (and the earthquake) to the National League Pennant in 2002. Player profiles include 1968 no-hit hurler Gaylord Perry, and high-kicking Juan Marichal; slugger Willie McCovey, National League MVP in 1969, and of course the great Willie Mays, who hit over 600 career homers with the Giants. Other chapters cover stories such as how in 1963 Jesus Alou joined his siblings Felipe and Matty on the roster, giving the team the first all-brother outfield in Major League history. Join some of San Franciscos famous fans, from Peanuts creator Charles Schulz to Danny Glover, Carlos Santana and Robin Williams, in celebration of this golden anniversary. In addition to the often rare and amazing visual history presented in this book, each chapter features reproductions of Giants memorabilia that will provide fans a complete San Francisco Giants scrapbook. And an audio CD of famous play-by-play radio calls, player interviews and more -- collected here for the first time -- makes this book a lasting pleasure.
