

MONEY MONEY MONEY - - - MONEY: A BOOK ABOUT MONEY

Money is a fiction. The Fed gave seven trillion dollars to five banks by pushing keys on a keyboard (kinda like Im doing right now). The Bank of London has written research papers (written by people smarter than me) admitting currency is make believe. We are not on the gold standard. I want to write the best fiction in the world and I am competing with the Frickin Fed! Buy this book, please.

Evan Hunter has passed the century mark in books published and, writing as Ed McBain, has started on his second half-century (this is the 51st in the series) Money, is my 77th book and, fortunately, after a two years wait, another one from the 87th Precinct.
