

TAKEN BY HER TEAMMATES: Jillies Reluctant Orgy (Taken By Them All)

Jillie has never really fit in. She was a tomboy growing up, and when she developed early, the boys wanted more than friendship and all the girls got jealous. So, she was overjoyed when she tried out for soccer and made the team and all of her teammates made her feel welcome by inviting her to a party. Of course, she didn't know that this welcome would include an orgy with seven girls and three boys! Before the party is over, Jillie will be reluctantly led to her first lesbian experience, her first double team sex, and her first orgy!

Warning: This ebook contains very explicit descriptions of sexual activity during a college student orgy. It includes bondage, lesbian sex, double team sex, deep throat, and semen swallowing. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

Here is a preview: Mandy opened the door with a big smile and gave her a hug. She backed up, looked her up and down and smiled. Just perfect, Jillie. Then, she called out over her shoulder, The guest of honors here! and Jillie heard shouts and cheers. She couldn't believe it. People were cheering for her. It was so strange and wonderful to be well, popular? Accepted maybe? She walked through the foyer, down a short hall in the direction of the noise, and turned a corner. She stopped a step into the room, her eyes wide and her mouth open in shock. They were all naked. There were six of the girls from the team and three guys. The striker was on top of one of the guys, using her power forward legs to push herself onto his cock. Jillie couldn't believe it. One of the halfbacks was on the floor with her legs spread wide while a forward sat on her face and a fullback bent on all fours and licked her. She started to turn around, but she felt Mandy's hands on her shoulders. Mandy shouted again, The guest of honors here! Jillie felt her grab the jersey and pull it

downward. It was big enough that she was able to pull it right over her shoulders and almost to her waist. Her breasts were suddenly exposed and her arms were pinned to her sides by the jersey. She started to struggle, but people were suddenly on her, and she felt her nipples ignite with sensation as her teammates mouths closed over them. She started to protest, but Mandy was suddenly in front of her and pressing her mouth onto her.
