

Submitting To A Soldier 2

I felt like Jacob was using my body as a bargaining chip and I didn't even have a say in the matter... It had only been six weeks since my older brother's best friend, Jacob, had me for my first time, using no protection whatsoever. I didn't think that the lack of protection was a big deal, until I missed my first period. But I don't have much time to dwell on the possibility of me being pregnant, when Jacob's war buddy decides to stop by for a visit. Jacob calls him Butch, and for good reason. He's huge; even more muscular than Jacob. His shaved head and the stubble on his face make him look mature and masculine and I immediately find myself drawn toward him. Just a few minutes after Butch shows up, I learn about a bet between Jacob and Butch that was made almost eight years before. And since Jacob lost the bet, he decides to use my body to square things up with Butch. Will I have a chance to tell Jacob, the potential father of my child, that I might be pregnant? Or will I be unable to, because of these two powerful soldiers handling me roughly while my parents are away? This 7700-word story features not one, but two, powerful and muscular soldiers taking control of a young and naive 18-year-old woman, who is possibly pregnant.

o Updates policy on assignment of female Soldiers (para 32i). o Adds information on processing, submission, and updates address for only) on the adoption list.
