

My Steps Secretary (Steamy Billionaire Taboo Romance)

Nineteen-year-old Amber Reiner is sick of Jake, the boy she grew up with, pushing her around. Just because the woman who raised her left the billionaire man of the house doesn't mean he has to take his frustration out on her, especially since she's his secretary. When working with him becomes too much to bear, Amber reasons that gross misconduct with Jake's intern, Brad, is a surefire way to get herself fired and out of his sphere of control. But when Jake walks in on them in the filing room, he has other things on his mind. He realizes that Amber needs to be taught the lesson the woman who raised her could have benefitted from. He needs to exact revenge on the man of the house's behalf. And he's going to do it hard and without protection.
