

Giving Him Control: Submitting for the First Time

All at once, I wanted him more than anything I'd ever wanted in my entire life. I wanted him to be inside me. I wanted him to taste me, to run his tongue up and down my folds until I cried his name in pleasure. I wanted him to slip himself into me and thrust over and over until we collapsed, sweaty and together, into a panting heap. I admit it: I'm a control freak. It's just the way I am. I've been that way for as long as I can remember, and when I started bringing boys into the bedroom I found it followed me there as well. And that was the comfort zone I was more than happy to stay in, right up until Parker came along and changed all of it in the span of a few days all thanks to a silly little class project. He got me to give up control, to submit myself to a man and let him take over entirely. And, to my surprise, I liked it more than I ever could have imagined. This steamy short romance features bondage, male domination, female submission, new adult action, and plenty more. Enjoy!
