

Tarot - A Book Of Secrets by Stephen Williams An interpretation of the Book of the Tarot Tarot A Book Of Secrets examines The Book of the Tarot, that ancient deck of cards which has found a secure place in the heart of our Age. This book has been designed as a point of reference, written in terms that can be used and understood by beginners and even the more practiced Readers alike. The book opens with a very short history and an explanation of Tarot cards. This has been kept as a brief examination since the main purpose of Tarot A Book Of Secrets is to focus on interpretations of each card and how they may be read in a Tarot spread. The Look Inside feature on this Amazon page will allow you to see the full and very detailed list of Contents, and a note on this appears next. Note - Valuable Contents and Index Navigation A full and detailed table of Contents is listed at the front of Tarot A Book Of Secrets together with an Index at the back of the book. When editing and compiling this eBook, Stephen Williams has made certain that every Tarot card and each example spread has been given its own active link in both the Contents and the Index. This is an important feature of this book because having every card as an active link in both the Contents and the Index will make it so much easier and quicker for you to navigate through the book in order to reach very quickly the page you are looking for. With Tarot A Book Of Secrets you will no longer have to search through the pages of a chapter to find your card because it can easily be found from both the front and the back of the book. Touch or click the name of the card you want from either the Contents or Index lists and you will go straight to the page. Tarot on the Kindle has now been made easy and you can find your Tarot card meanings and Tarot spreads in moments. NOTE: Revised and reprinted July 2015. If you have previously purchased this book, please check for an update from Amazon on your Kindle viewer or re-download for a current edition. About The Author Stephen Williams is the author of: Novels ... Servant Of Desire, Death Speaks In Whispers, The Dead List, A Bad Place To Die, Beast On The Landing Short Story Collections ...
