

The Brute (Angry Edenites Book 3)

Brood is the leader of one of the most unsuccessful gangs in the little town of Wonderville. They are so unsuccessful that they don't even have a name and their greatest arch enemy is boredom. And boredom is currently winning. When someone from The Fourth Floor insults them, Brood and his gang are forced to defend their honor. The Fourth Floor is a very strange place though. It is the fourth floor in an apartment building, but it has been transformed by the addicts who live there. Its walls and doors have faded, and a strange new world has emerged in their place, a world designed by the crazed thoughts of its inhabitants. Will Brood and his gang survive the strangeness of The Fourth Floor? Will they defeat a group of addicts high off Godhood, a drug that gives them the power of a god? Read *The Brute* and find out! David J. Rollins is a new exciting author with a style all his own. His stories are unlike anything else you have ever read, unless you have read Douglas Adams, Terry Pratchett, Christopher Moore or William Rankin. And if you have read those authors, you'll love David J. Rollins.
