From the author of *On the Edge* and *Snitch* comes a dangerous, sexy novel perfect for fans of Simone Elkeles. When Gabby Perez is almost drugged at a nightclub, she decides to take action. Teaming up with a mysterious stranger known as X, the two go after a gang who is drugging and kidnapping innocent girls off the Miami streets and forcing them into prostitution. As their search deepens, Gabby and X can't ignore their undeniable attraction to each other. Then Gabby discovers the truth about who X really is and the danger that surrounds him. Can their love survive the light of day? *Light of Day* is set in the same world as *On the Edge* (readers will recognize some of their favorite characters in this book) and features a diverse cast. With romance, action, and realistic friendships, this is a gripping story about finding out where you belong, discovering the power to make a difference, and finding true love along the way.
