

The Cracker Jack Collection: Baseballs Prized Players

The Cracker Jack Collection: Baseballs Prized Players celebrates the 100th anniversary of one of the greatest baseball card collections in the world. The players included in this superb set range from some of the best in the game, like Eddie Collins, part of the famous \$100,000 infield of the Philadelphia Athletics, to lesser-known players like Cuban-born Armando Marsans, a talented player who also made fine cigars! The game of baseball was still evolving during this period and issues like player salaries, rule changes and the birth of the renegade Federal League all contributed to shaping our National Pastime. The player stories included in this book give a glimpse into the realities of life in the early 20th century, and provide a journey through one of the most exciting eras in baseball history. This book is a great read for anyone who loves baseball, not just the collector. ?* Biographies of every player featured in the 1914 & 1915 Cracker Jack Ball Player card series, compiled for the first time. ?* Full size, full color images of all 180 Cracker Jack Ball Player cards. ? * Player anecdotes uncover details of the birth of our National Pastime. ? * Special chapter on the history of Cracker Jack, the prizes, and the products special relationship with Major League baseball. ?* Filled with artistically rendered full-color photographs of baseball artifacts, antique Cracker Jack prizes and memorabilia.

Still, many collectors prefer the 1914-1915 Cracker Jack cards even if these the origins of the cards in The Cracker Jack Collection: Baseballs Prized Players Find great deals for The Cracker Jack Collection : Baseballs Prized Players by Tom Zappala and Ellen Zappala (2013, Hardcover).
