

## Submitting To A Soldier Trilogy

I dont feel like you have much of a choice, Avery... My life as a simple 18-year-old girl takes a drastic change when our family friend, Jacob, comes back home after eight years at war. Hes not the innocent little boy that I remember, though. Hes now a muscular and sexy man who shows his attraction to me with domination. The steamy acts between Jacob and I, and the twisted love story that unfolds, can be found in each of these three books.

Submitting To A Soldier I was just a fresh-faced young woman who was trying to enjoy her summer break from school. I didnt have any plans for my time off, so when my older brother told me that his best friend, Jacob, would be coming home from war to pay a visit, I couldnt have been more excited. But when I see Jacob, I realize that he isnt the young kid that I remember. Years spent at war have turned him into a man. Hes muscular, powerful and authoritativeand I cant help but to be attracted to him. But things get interesting when I question his involvement in the war. I dont believe all of his stories and I think that he might just be glorifying what it means to be a soldier. Jacob doesnt take what I say lightly, though, and decides to quickly put me in my place. How far will he go? Will I let him take me for my first time, hard and without protection, or will I even have a choice? Something tells me that this soldier has forgotten the meaning of the word gentle. This 7600-word story features a powerful and muscular soldier taking control of a young and naive 18-year-old woman. Submitting To A Soldier 2 It had only been six weeks since my older brothers best friend, Jacob, had me for my first time, using no protection whatsoever. I didnt think that the lack of protection was a big deal, until I missed my first period. But I dont have much time to dwell on the possibility of me being pregnant, when Jacobs war buddy decides to stop by for a visit. Jacob calls him

Butch, and for good reason. Hes huge, even more muscular than Jacob. His shaved head and the stubble on his face make him look mature and masculine and I immediately find myself drawn toward him. Just a few minutes after Butch shows up, I learn about a bet between Jacob and Butch that was made almost eight years before. And since Jacob lost the bet, he decides to use my body to square things up with Butch. Will I have a chance to tell Jacob, the potential father of my child, that I might be pregnant? Or will I be unable to, because of these two powerful soldiers handling me roughly while my parents are away? This 7700-word story features not one, but two, powerful and muscular soldiers taking control of a young and naive 18-year-old woman, who is possibly pregnant. Submitting To A Soldier 3 Two months had gone by and I still hadnt had my period. When the pregnancy test shows up positive, I know that theres no turning back. Theres a new life inside of me and I have to tell Jacob. But before I get the chance, Jacob blindfolds me and takes me to a secret military base. He tells me that I need to help him with something. Once were there, I find out that Jacob had gotten into some legal trouble while at war overseas. The high ranking officers at the base are willing to clear his name for a price. Will Jacob allow these men have their way with me in order to clear his name, or will something inside of him change once he sees the way these men are handling me? This 7000-word finale features a hot sex scene between a muscular soldier and a beautiful, pregnant and mostly innocent 18-year-old woman.
