The Essentials of Bowling

The Essentials of Bowling was written specifically for bowlers who are tired of carrying the same average year after year. It is the first book of its kind to explain the simplicity of basic bowling theory; the universal principals which determine successful technique. It clearly explains how anyone can adjust their techniques to obey those principals. Loaded with valuable tips, secrets, and illustrations which lead to higher scoring potential. A MUST READ for bowlers, new and experienced, who have never received the benefit of personal instruction. California Bowling News says:Anybody who bowls needs to read this book! It WILL make you a better bowler!
