

The Fatal Tree (Bright Empires)

Kit stared at his fellow questors. Is this it? It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleons army appears in 1930s Damascus ready for battle. But thats only the beginning as entire realities collide and collapse. The questors are spread throughout the universe. Mina is stuck on a plain of solid ice, her only companion an angry cave lion named Baby. Tony and Gianni are monitoring the cataclysmic reversal of the cosmic expansionbut coming up short on answers. And Burleigh is languishing in a dreary underground dungeonhis only hope of survival the very man he tried to kill. Kit and Cass are back in the Stone Age trying to reach the Spirit Well. But an enormous yew tree has grown over the portal, effectively cutting off any chance of return. Unless someone can find a solutionand fastall Creation will be destroyed in the universal apocalypse known as The End of Everything. In the final volume of the fantastic Bright Empires series, Stephen R. Lawhead brings the multi-stranded tale to a stunning and immensely satisfying conclusion. In the sweeping style of George R. R. Martin and J. R. Tolkien, Lawhead has created a diverse universe and rich cast of characters. Multiple story lines weave to form a satisfying ending to this mythological speculative series. Library Journal
