In 2001, while trying to cure his wife of her long term depression, Dr. Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease, so that the neuro-immune system takes over its job of healing whatever is wrong with the body. He also discovered that there is a Universal Healing Code that will heal most issues for most people - physical, emotional and relational, as well as enabling breakthroughs in success and well being. The Healing Code has been subjected to numerous tests which have validated its success, as do the testimonies of the thousands of people for whom it has worked. In this book you will discover for yourself The Healing Code process. Its easy to learn, can be used just about anywhere and takes only six minutes to complete.
