

Coaching Tips for Childrens Soccer (Meyer & Meyer sport)

Coaching Tips for Childrens Soccer is a complete guide for ensuring that young players get the most out of the game -- psychologically, socially and physically. Starting with the belief that fun and self discovery are the most important aspects of any sporting activity for children up to the age of 10, the book covers the basic principles of child development and details 60 play-oriented training units which can be utilised by teachers, parents and others working with this age group.
