

The Stormrider Surf Guide South Pacific (Stormrider Surf Guides)

Trying to sum up or describe the definitive vision of tropical paradise that floats around most peoples imagination is probably best done in two words South Pacific. This gigantic expanse of the deep blue Pacific, warmly embraces the randomly scattered island groups that dare break the surface, providing perfect conditions for an abundance of coral life in the form of fringing, platform, patch, barrier, oceanic ribbon, atolls and drowned coral reefs. Where theres reef, theres surf and early Polynesian cultures quickly learned how to integrate that surf into their daily lives. Its not all plain sailing when it comes to catching some of these waves and many waves require a boat to reach them, high tide to cover them and above average skill to ride them. The Stormrider Surf Guide Kindle ebooks are just part of the worlds best selling and most respected collection of surfing guide books. The Stormrider Surf Guides come in just about every format possible including paper, iTunes App and now the Kindle edition ebooks. They are the only comprehensive colour guides to the coastlines of Europe, North America, Central American and the Caribbean, Indonesia and the Indian Ocean, South America, Africa, East Asia, The Pacific and Australia. The authoritative text includes oceanographic, environmental and cultural notes on the entire coastlines. Each guide contains numerous full colour maps and superb photos of the best waves, shot by the best photographers. All information is compiled with the help of local riders whose sensitive approach enables an accurate and knowledgeable appraisal. An essential tool for surfers searching for their perfect wave.
