

To Dance With Angels: An Amazing Journey to the Heart with the Phenomenal Thomas Jacobson and the Grand Spirit, Dr. Peebles

The pages of *To Dance With Angels* hold a key to the meaning of life on planet Earth and all that lies beyond, revealed to the authors of this book, Don and Linda Pendleton, in clear and simple language, often with humor, and always with love, by one who has experienced it all. *To Dance With Angels* is structured around a series of in-depth interviews with spirit guide, Dr. James Martin Peebles through the trance-mediumship of Thomas Jacobson. Born in Vermont, Dr. Peebles lived from 1822-1922 and was a clergyman, physician, prolific author, leading Spiritualist and humanitarian of the 19th century. These conversations with Dr. Peebles from his home on the Other Side, are frequently startling, always entertaining and enlightening. They touch upon every facet of human and nonhuman experience: life and death, past and future lives, ghosts and guardian angels, world politics and cosmic realities, love and sexuality...and that is only the beginning. A must read for those interested in life after death and spirit communication. In 1990, Don and Linda Pendleton published the inspirational non-fiction book *To Dance With Angels*, now considered a classic in spiritual literature, and in this new edition nearly twenty five years after the book was originally written, Linda Pendleton has added a new Preface: *Twenty-four Years Later*. Linda Pendleton is the author of fiction and nonfiction books. Don Pendleton is the creator of *The Executioner: Mack Bolan Series*; *Joe Copp, Private Eye Thrillers*; *Ashton Ford Psychic Detective Series*, and other books. Together, Don and Linda Pendleton also wrote *Whispers From the Soul*, *the Divine Dance of Consciousness*.
