

Staying In Darkness: Watching My Gay Husband Go Interracial (Flirting With Darkness)

Jake and Johnny are no strangers to inviting others into the bedroom, especially when those others happen to be handsome black men who take Johnny while Jake watches at a distance. But, after years of blissful gay marriage, Johnny is finally ready to take his love of interracial gangbangs to a whole new level. When Johnny goes out drinking at the new gay club downtown, Jake already knows whats in store, but he could never imagine the level of cuckolding sexual depravity thats waiting for him on the other end of Johnnys video chat invitation later that evening. Watching from behind the computer screen, Jake is about to witness the final transformation of his loving gay husband into a filthy, interracial gangbang star. But when the night is over, will Johnny ever come back? This is a 3,400 word gay cuckold gangbang story, featuring anal, double anal, cheating boyfriends, voyeurism, and rough interracial sex.
