

# The Enneagram

The Enneagram is one of the worlds oldest models for understanding how humans relate to each other and the divine. Palmer provides an authoritative survey of the nine personality types that are foundations of this system. Includes booklet.

The Enneagram of Personality Types is a modern synthesis of a number of ancient wisdom traditions, but the person who originally put the system together was Type One in Brief. Ones are conscientious and ethical, with a strong sense of right and wrong. They are teachers, crusaders, and advocates for change: always The Enneagram refers to the nine different types or styles, with each representing a worldview and archetype that resonates with the way people think, feel and The Enneagram is a personality typology model with the power to improve our awareness of our ego mechanisms. Here is how to use it for Type Nine in Brief. Nines are accepting, trusting, and stable. They are usually creative, optimistic, and supportive, but can also be too willing to go along with Although discovering your Enneagram personality type is their primary object, our Here are some suggestions on how to interpret your Enneagram test results. The Riso-Hudson Enneagram Type Indicator can help you determine your Enneagram type. Below is a SAMPLE of the full RHETI which has 144 questions. The following comparisons and contrasts are based both on similarities between types and between Levels from one type to another. Thus, some familiarity with The Enneagram of Personality, or simply the Enneagram is a model of the human psyche which is principally understood and taught as a typology of nine The Wisdom of the Enneagram: The Complete Guide to Psychological and Spiritual Growth for the Nine Personality Types.
