

A Good Girl

Small town girl Chloe had simple tastes, including in men, and if Darrell slapped her butt when she got out of line that just meant he was a manly man. If he liked to show off her body, well, that was because he was proud of her. But when they went to work for a rich city man in his new club Darrell changed and his assertiveness took on a very sexual tone. When Chloe went to work at the club she found herself immersed in a breathless flood of sex, submission and bondage, for a good girl did what her boyfriend told her, and if that meant letting other men do scandalous things that set her heart racing and her insides flaming, well, then that was what she'd have to do!
