

# Warriors Of The Rainbow: Strange And Prophetic Indian Dreams

Strange & Prophetic Dreams of the Indian People. This is a touching story of a great grandmother instilling the Indian spirit in her great grandson. It gives guidelines for a glorious future: We have had enough now of talk. Let there be deeds. In the words that follow we have written simply and wholly what we believe, believing that only God is the Knower. That men should love one another and understand one another is the great message of the visions of the Indian peoples told about in this book, nothing of selfishness nor vanity, nothing of narrowness nor pride. We write what we feel deep in our hearts, and the bulk of the book is the expression of this feeling. On the other hand, we wish to write about only what is reasonable and intelligent, so, in the appendix at the back of this book, we give what we consider reasonable and intelligent answers to why the study of prophetic dreams has value, how they fit patterns, and how it may be possible to understand them.

The authors write simply and with deep feelings about Indian life and the meaning of the strange and wonderful Indian prophecies which hold the promise of eventual .
