

## Water: John 4 (Incarnational Shorts)

Girl meets boy. Girl never thirsts again. In the desert, water becomes the central concern of life. When fetching that water becomes an excruciating ordeal both emotionally and spiritually, one woman wrestles with the decisions and events that have defined her existence. Obscure, ashamed and marginalized, everything changes one dusty afternoon when she meets a man beside a well. This is neither her story, nor his, but merely the moment when their stories collide. Based on the Biblical text of John, chapter four, this fictional retelling of the woman at the well transplants a timeless encounter with Jesus the Christ into contemporary hearts and minds without abandoning its historical and contextual roots.
