

Wild Temptation - Complete Series

Here is the complete collection of the Wild Temptation Series, written in the delicious and sensual style of Natalie Wild. Tegan Walsh has finally landed a sweet job in Manhattan as a personal trainer/physical therapist in a gym and physical rehabilitation center. Unfortunately, she is scheduled to start her new job in just three days and the gym already has clients lined up for her and she has nowhere to stay. She expresses her concern to her best friend Ashlee and together they find a solution; her best friend's brother, Reid. Tegan remembers Reid from her childhood, but when she moves in with him, she discovers he is vastly different than what she remembered, covered in sexy tattoos and with a new growling edge to him. She gets settled in quickly and finds her attraction to Reid boiling over. Things heat up and Tegan finds herself in a world of confusion, lies and unbridled lust. Is it ever a good idea to sleep with a roommate? Especially your best friend's brother? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
